

Back to School Tips for Success

Hosted by The Arc's Advocacy Department

2289 Avenue A, Bethlehem PA

August 22, 2018 from 6:00-8:00 PM

- *Have you ever used a special education advocate?*
- *Have you had to wait for one to be available?*
- *Would you like to clarify what a special education advocate can & cannot do?*
- *Would you like your child to have a better year in school?*
- *Would you like to learn special education basics so that **YOU** can effectively advocate for your son or daughter?*

If you answered yes to any of the questions above, then please consider joining us. The Arc's advocates will share insights on what works and what doesn't. We welcome families who are new to special education as well as those who have been "in the system" for a while.

There is tremendous need for special education resources & support. The Arc's busy staff, who serve both children and adults with intellectual and developmental disabilities, can't be everywhere. It's just not possible. That's why we try to host several educational workshops throughout the year. As always, these events are free, but you must register. Please RSVP to Ramona Neidig at 610-849-8076, ext. 325 or rneidig@arcoflehighnorthampton.org. Email registration preferred. When registering, please state your county of residence.

If you can't attend, but feel you need an advocate, there is an intake process. Please call 610-849-8076, ext. 321 & leave a message. When giving your name and call back number, please speak slowly & clearly. If you prefer, send a detailed email to advocacyintake@arcoflehighnorthampton.org. That way you'll have a paper trail.
